   Professor Merian Soto, BCMD, was appointed to fill a vacancy created by the retirement of one of our members and ably served on one of our cases. Professor Mark Rahdert, Law, was elected to fill that vacancy.

   During this academic year, the Faculty Senate Personnel Committee considered two cases involving appeals from tenure and promotion denials. The evaluation of these cases involves a substantial number of meetings to interview parties and witnesses, consider evidence, deliberate and draft reports and recommendations. In both cases, the Committee prepared reports and recommendations which were transmitted to the President for his consideration.

   Respectfully submitted,

   Rafael A. Porrata-Doria, Jr., Chair
