# About the University

With more than 39,000 students and 17 schools and colleges, Temple University is a world-class comprehensive research and teaching university. Located midway between New York City and Washington, D.C., Temple offers a broad range of academic programs that attracts students from every state in the United States and from more than 100 foreign nations.

The university has more than 3,200 full-time and part-time faculty members, many with national and international reputations. It is one of the top 100 institutions doing research for the federal government and has one of only three university-based national survey research facilities in the nation.

Temple offers bachelor's degrees in more than 130 fields, master's degrees in 121 and doctoral degrees in 56. The university also offers programs in seven first professional degree areas.

A member of the Pennsylvania Commonwealth System of Higher Education, Temple University is governed by a 36-member Board of Trustees. The university's primary sources of support are an annual appropriation from the Commonwealth and student tuition. Ann Weaver Hart is the university's ninth president.
