

EarthFest Application—Schools

Temple University Ambler EarthFest is an outdoor educational festival held in celebration of Earth Day. The mission of EarthFest is to promote environmental awareness using sustainable concepts, methods, and practices to protect and preserve our environment. EarthFest 2006 includes the Pennsylvania Horticultural Society's Kids Grow Expo and Junior Flower Show. The Kids Grow Expo is a horticultural exhibition by and for school-age children throughout the Philadelphia area.

The Center for Sustainable Communities at Temple University Ambler is proud to host this event for the general public and students of all levels. *This outdoor event will be held from 9:30 a.m. - 2 p.m., rain or shine.*
