

EarthFest Application—Schools

Temple University Ambler's EarthFest is an outdoor educational festival held in celebration of Earth Day. The mission of EarthFest is to promote environmental awareness using sustainable concepts, methods, and practices to protect and preserve our environment. EarthFest 2012 includes the Pennsylvania Horticultural Society's Junior Flower Show, a horticultural exhibition by and for school-age children throughout the Philadelphia region.

The Center for Sustainable Communities at Temple University Ambler and the Pennsylvania Horticultural Society are proud to host this event for the general public and students of all levels.

Temple University is an approved entity with The School District of Philadelphia. The paperwork is on file with The School District of Philadelphia Risk Management Office.
