

Recital Extension Permission Form

Students are expected to perform recitals at the appropriate time in the course of their studies. Only under the most extraordinary circumstances can a recital be extended into the following semester. Typical reasons for such an extension include medical reasons (with a note from a physician) or unusual personal situation (with documentation attached). Recital Extension is strongly discouraged and will only be granted with substantial reasoning and approval by the appropriate Private Teacher, Department Chair, and Associate Dean.

Students who are approved for Recital Extension must register for Music 300 in the following semester. The only exception to this may occur when a recital is postponed from Fall to Spring and is performed in the first **TWO WEEKS** of the Spring semester. No exception may be made when postponing from Spring to Fall.
