

**General Program Requirements for Master's Degree in the Kinesiology With an
Emphasis in Integrative Physiology of Exercise**

Number of Didactic Credits Required Beyond the Baccalaureate: 30 or 33 s.h. (*Note: Please refer to Policies and Procedures of the Temple University Graduate School for transfer of credit for graduate coursework taken as a non-matriculated student*)

Required Courses (15 s.h.)	Course Number (s.h.)	Course Title
Kinesiology	5311 (3)	Exercise Physiology
Kinesiology	9201 (3)	Cardiovascular Ex Phys
Kinesiology	9203 (3)	Appl Ex Physio-Neuromusc
Kinesiology	9901 (3)	Res Methods Kinesiology
Intermediate Statistics Course	From approved courses for 3 s.h.	
Elective Courses (15 to 18 s.h.)	Course Number (s.h.)	Course Title
Kinesiology	5312 (3)	Exercise + Nutrient Methb
Kinesiology	5313 (3)	Exercise + Aging
Kinesiology	9204 (3)	Cellular Adapt to Exer
Kinesiology	9205 (3)	Exer Testing + Prescrip
Kinesiology	9206 (3)	Intro to Environ Physiol
Electives offered in Kinesiology or other graduate departments. Approval by two graduate faculty members required.		
Research/Clinical Practicum Options (3 or 6 s.h.)	Course Number (s.h.)	Course Title
Research Project Option (3 s.h.): Kinesiology		
	9995 (3)	Masters Research
Thesis Option (6 s.h.)		
Kinesiology	9995 (3)	Masters Research
Kinesiology	9996 (3)	Masters Thesis
Clinical Practicum Option	9785 (6)	Internship-Kinesiology
