

Purchase Windows 7 at a Special Academic Price

Offer Details - College students may purchase **one** license of Microsoft® Windows 7 Home Premium **or** Microsoft® Windows 7 Professional and download the software for **\$29.99**. A copy on CD is available for an additional **\$13.00**.

Eligibility - To participate, you must:

- be a college student actively enrolled in at least 0.5 course credit hours
- be able to provide proof of enrollment upon request
- possess a valid Temple e-mail address

Note that Microsoft or Digital River may contact you to verify that you are a current Temple student. If documentation is not provided indicating that you are a current Temple student, you will be liable to reimburse Microsoft for the difference between what you paid and the estimated retail price of the software.

Purchase Limitations - Eligible students may purchase no more than one license of Microsoft® Windows 7 per valid e-mail or billing address.

Promotion Duration - All purchases must be made via the promotion web site by 11:59AM CST on January 3rd, 2010.

Obtaining the Software - (Before you purchase the software, review the compatibility items listed below.) Eligible Temple students can purchase the software at:

http://windows7.digitalriver.com/store/mswpus/en_US/DisplayHomePage

On the Windows 7 Registration page, enter your Temple email address. If you're eligible, you will receive an e-mail with the purchasing details. Click on the link provided in the email to proceed with your purchase. When the process is completed, you will receive an e-mail with download instructions.

Hardware capability and compatibility:

To see if your PC and associated devices can run Windows 7, download and run the Window 7 Upgrade advisor at:

<http://www.microsoft.com/windows/windows-7/get/upgrade-advisor.aspx>

Software compatibility:

Be advised that your existing software may not function properly with Windows 7. In addition to checking with the software publisher's web site, Microsoft will be launching a product compatibility resource at:

<http://www.microsoft.com/windows/compatibility/windows-7/partner/Default.aspx>

Note that Temple is providing information regarding this upgrade offer as a service to you and makes no claims or recommendations about the suitability of upgrading your computer from its existing operating system to Windows 7.
