

**Organization:** Centers for Disease Control and Prevention (CDC)

**Majors:** Environmental and Earth Science

**Collegiate Leaders in Environmental Health**

CDC invites qualified applicants to apply for a **ten week summer program** in **Environmental Public Health** at the National Center for Environmental Health /Agency for Toxic Substances and Disease Registry (NCEH/ATSDR) in **Atlanta, Georgia**. This is a **full time summer opportunity** for rising collegiate **juniors and seniors** to get real-world experience in Environmental Public Health activities at the federal level. Students will participate in individual projects and will be paired with mentors in order to gain valuable experience in the fascinating field of Environmental Public Health.

Students majoring in environmental fields are encouraged to visit <http://www.cdc.gov/nceh/cleh/> to learn more about the internship, environmental health, and previous intern projects.

**Contact:** Cory Moore, [Cmoore3@cdc.gov](mailto:Cmoore3@cdc.gov)
