

College of Science & Technology's Policy for Intra-University Transfer

In order to transfer into the College of Science & Technology, a student must meet with an advisor in the College Office of Undergraduate Advising. The advisor will evaluate the student's record in accordance with the following policy:

1. Students in their first semester at Temple University who wish to transfer into the College of Science & Technology will be automatically approved, provided that they are taking a core level Mathematics course.
2. Continuing students who wish to transfer into the College of Science & Technology must have a cumulative grade point average (GPA) of 2.25 or higher and must have completed both a core level Mathematics course and a core level Science (or additional core level Mathematics) course, both with a grade of C (2.0) or better.
