

September 2010

Hi Everyone,

It's David Bresler '79, and happy to be back as President of our Alumni Association and I hope you will join me as a member.

The Dental Alumni Association was established to support and provide social and professional opportunities for today's dental students. And, let's not forget our Alumni Association has events throughout the year, giving us all the chance to see one another.

The Alumni Association supports many worthwhile endeavors, including:

The White Coat Ceremony, recognizing the important transition from student to doctor;

The Open Margin Golf Outing, a fun-filled event for student and alumni golfers & hackers;

A Mentoring Program, matching soon to be graduates with alumni to aid in the transition to our profession;

Haiti Outreach, providing dental care to underserved children and spreading Temple's good name globally;

The Senior Banquet, celebrating our new graduates' success; and,

Hospitality Suite for NERB and WREB examinations, so students can relax and enjoy a quick bite between patients.

There are also lots of alumni events to see friends and colleagues—whether an exciting Owls basketball game, the spring golf outing, the annual meeting, or a complimentary CE program.

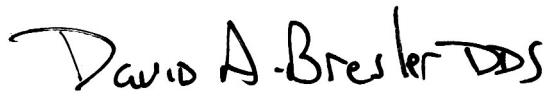

Our Dean, Amid Ismail, has transformed our school, focusing on creating the optimal learning environment for the students while continuing the excellent clinical experience each of us had.

The Alumni Association helps to enhance the value of your diploma! By promoting excellent relationships between alumni and students, we increase the number of quality graduates available as future associates or partners.

Remember, all alumni receive a discount on Continuing Education classes. Visit www.temple.edu/alumni to view upcoming CE programs and alumni events.

Thank you in advance for your support of the Dental Alumni Association and ***your help to make our dental school the most rewarding experience for today's students.***

Sincerely yours,

David A. Bresler DDS, Class of 1979
President
