Cost Sharing Documentation Agreement

Federal regulations require, regardless of funding source, that recipients properly document mandatory (required by the agency) and voluntary committed (proposed by the University) cost sharing. I have submitted SPAF # _____ to OVPR for a proposal to _____ for an externally sponsored agreement (primary sponsor, _____) for the (title) _____. My proposal includes the following cost sharing commitments:

If an award is obtained that includes these cost sharing commitments, I agree to account for these costs as follows:

I will charge my cost – shared academic year salary to account code 6019 or 6519, center number _____ in proportion to my percent of effort on this project. I will maintain documentation in my department identifying my cost sharing to the above sponsored agreement.

Additional Cost Sharing from:

I also agree to retain the above documentation in my department as part of the official records of this externally sponsored agreement for at least 3 years after completion of said agreement.
