Here are instructions on how to enroll in the online courses via Blackboard:

1. Log into Temple's Blackboard System at learn.temple.edu.

2. Look for the “Tools” box (please make sure you are in the “My Blackboard” section of the system) on the left hand side of the screen and click on “BB Course Catalog.”

3. Type EHRS in the empty Search Catalog field and click “Go.” The list of courses will appear at the bottom of the screen.
4. To list courses in alphabetical order, click the phrase “Course Name.” If you do not see the course(s) you’re looking for, you may need to go to the next page.

5. All individuals must click on the “Enroll” button, by highlighting the course ID number to reveal the drop-down menu. **Please note:** You must click the ENROLL button to successfully add the course.

6. After clicking “Enroll”, click on the “Submit” button when it appears.
7. A screen will load that confirms your enrollment. Click “OK” and you will be connected to the class page you enrolled in.
