In the event of a failure, the student may be required to do additional research, rewrite, and resubmit the thesis. In the event of a conditional pass, the student may or may not be required to present his/her thesis again. However, all conditions must be removed before the student can satisfy the thesis requirement for the degree. In any event, all thesis committee members must be satisfied with any changes. Please return this form to Tamika Butler (CEE & ECE students) or Mojan Arshad (ME & Bioengineering students).
