

## Thesis Proposal Form

\_\_\_\_\_ presented his/her thesis proposal entitled \_\_\_\_\_  
\_\_\_\_\_ on \_\_\_\_\_.

**It is the determination of a majority of the examining committee that the student has (check one):**

Passed without condition (The problem is well defined and seems solvable. The student has the background to do the work.)

\_\_\_\_\_

Passed with the following condition(s): \_\_\_\_\_

\_\_\_\_\_

Failed (The problem is either poorly defined and/or seems unsolvable, and/or the student does not possess the required background to do the work.)

\_\_\_\_\_

**I agree with the above decision:**

\_\_\_\_\_  
Committee member name (please print) Signature Date

\_\_\_\_\_  
Committee member name (please print) Signature Date

\_\_\_\_\_  
Committee member name (please print) Signature Date

\_\_\_\_\_  
Committee member name (please print) Signature Date

**I disagree with the above decision:**

\_\_\_\_\_  
Committee member name (please print) Signature Date

\_\_\_\_\_  
Committee member name (please print) Signature Date

\_\_\_\_\_  
Committee member name (please print) Signature Date

In the event of a failure, the student must rewrite and resubmit the proposal. In the event of a conditional pass, the student may not be required to present his/her thesis again. However, all thesis committee members must be satisfied with any changes. Please return this form to Tamika Butler (CEE and ECE students) or Mojan Arshad (ME and Bioengineering students).
