TEMPLE OPHTHALMOLOGY VISION CARE

**Eligibility:** Begins after 90 days of employment.

**Includes Coverage for:**
- Employee, spouse and unmarried legally dependent biological, adopted and stepchildren to age 23.
- Domestic Partner – Coverage is available for employees with certification that he/she is a member of a domestic partnership in accordance with Temple University’s policy.

**Excludes Coverage for Adult Children:**
- Adult children between the ages of 23 to age 26 are not eligible for vision coverage.

**Employee Contribution:**
- No employee contribution is required for single coverage and $1.85 per bi-weekly payroll is required for family coverage.

**Plan:**
Vision evaluation and provision of eyeglasses once every two years. Employees and their eligible dependents *must* have their eye exam performed by the Temple University Department of Ophthalmology in order to receive benefit coverage for the exam. Employees then have the option to choose a standard pair of frames and lenses for free, or different frames and specialty lenses and pay the additional cost. In lieu of eyeglasses, some employees may elect to receive a $25 allowance for the purchase of contact lenses.

**Exam:**
A vision care exam consists of an evaluation of refractive error (glasses) and an exam of the eye that includes an exam of the anterior part of the eye, the optic nerve and the central retina. Such an exam is designed to detect cornea problems, cataracts, glaucoma and macular degeneration. Advances in examination techniques often permit these exams to be done without dilating the pupil. If necessary, a dilated exam for a peripheral retinal exam or for diabetes may be done during the vision care appointment, but a follow up medical exam may be required.

**Contact Lenses:**
If you wish to have an exam for contact lenses, there is an additional charge for this type of exam. Please check with the Temple Department of Ophthalmology.

The University Department of Ophthalmology provides eye exams and eyeglasses at the Health Sciences Campus:
