Mental Health Support

Millions of people are affected by a mental health issue, whether it’s a struggle with depression, anxiety, addiction, stress, or another issue.

Contact LifeWorks; we’re here to help: Are you concerned about a child who may be suffering from anxiety, a family member who may be abusing opioids, or a worry in your own life? Remember that you can always contact one of our caring, professional consultants for confidential support 24/7.

Go to LifeWorks.com: We offer a wealth of resources. See the Mental Health Support feature on our homepage. You’ll find links to articles, infographics, and our new podcast, “Managing Your Moods,” featuring Christine Padesky, a clinical psychologist, bestselling author, and leading expert in cognitive behavioral therapy. She describes simple research-tested skills you can learn to improve your mood and boost happiness.

LifeWorks is here to support you and your loved ones through whatever challenges you may be facing.
