Exam: A vision care exam consists of an evaluation of refractive error (glasses) and an exam of the eye that includes an exam of the anterior part of the eye, the optic nerve and the central retina. FLEXIBLE SPENDING ACCOUNT

WAGeworks

Eligibility: Begins on the first day of full-time employment.

FSA Account

A Flexible Spending Account allows you to contribute money, on a pre-tax basis, to pay for eligible dependent care expenses. You do not pay federal income tax or Social Security tax on these contributions. When you incur an eligible expense, you are then reimbursed from your account.

Dependent Care Account

Eligible dependents are defined as:

- 1) children under the age of 13;
- 2) older, disabled dependents whom you can claim on your tax return.

Eligible expenses are only those expenses that you incur because you work, and are expenses for services received during the calendar year in which you are participating. If you are a two-parent family, both parents must be working in order to qualify for the Plan.

The maximum annual deduction qualifying for pre-tax reimbursement is \$5,000 per household \$2,500 if married, filing separately.

How the FSA Plans Work

You designate the amount to be deducted in equal installments from your paycheck. You cannot change your contribution amount or suspend your payroll deductions during the year unless you have a qualified change in family status, as defined by the Internal Revenue Service.

How to Enroll in the Plan:

Enrollment is on-line at www.wageworks.com or you may call WageWorks at 1-877-924-3967. To enroll on-line register as a first time user and create your own account. You have 31 days from the date of your benefits orientation to complete the enrollment process. Enrollment in the plan is for the current calendar year only. You must re-enroll each December to continue your participation in the plan.

How to Pay for your Dependent Care Expenses:

Pay My Provider:

Tell WageWorks how much to pay your provider and when you want them to send the payment. WageWorks will write a check directly from your spending account.

FLEXIBLE SPENDING ACCOUNT

WAGeworks

File a Paper Claim:

To receive reimbursement from your account you can submit a claim form along with the proper documentation for your eligible expenses to WageWorks via fax or mail. Your reimbursement will be processed either in the form of a check payable to you, or a direct deposit to your checking or savings account.

Claims for reimbursement of expenses incurred during calendar year 2009 may be submitted through March 31, 2010. In accordance with Federal Tax Law, any unused account balances will be forfeited if not used for qualified expenses by the end of the calendar year. The University is not permitted to refund it to you.

To contact WageWorks customer service, call 877-924-3967.
For additional information, you may also visit their website at www.wageworks.com

FLEXIBLE SPENDING ACCOUNTS

Commuter Benefit program:

How the Commuter Benefits Program works:

You place your order based on how you currently get to work (regional rail, bus or subway) and WageWorks will fulfill your order by mailing you a pass or recharging your commuter card just prior to the beginning of the month. These charges are deducted from your paycheck each month. The portion of your cost that is deducted pre-tax reduces the amount of earnings on which you have to pay taxes (this is how you save). If you choose the "Every Month" frequency, you will automatically get the same order each month until you change or cancel it or become ineligible for the program.

Unlike health care and dependent care flexible spending accounts, there is no open enrollment period for the commuter benefits program and *you can enroll or cancel your enrollment at any time.*

How to Enroll in the Plan:

Enrollment is on-line at www.wageworks.com or you may call WageWorks at 1-877-924-3967. To enroll on-line register as a first time user and create your own account.
