RE: Closure of the Optical Boutique on Liacouras Walk

DATE: October 15, 2009

---

The Department of Ophthalmology and Temple University Physicians regret to inform our patrons that we will be closing the Optical Boutique at 1932 Liacouras Walk effective Friday, October 16, 2009. If you have a pending eyewear order, you will be contacted by an optician when your glasses arrive. Any pending contact lens orders will be shipped directly to your home. If you have any questions or concerns about your frames or lenses, please call 215-707-3185.

The Optical Boutique at the Health Sciences Campus will continue to offer a large selection of both standard frames (full-time Temple University employees and their eligible dependents are entitled to a free vision care exam and a pair of standard eyeglasses every two years) and designer frames such as Gucci, Coach and Sean Jean. Located on the 6th Floor of the Parkinson Pavilion, the HSC Optical Boutique is open on Mondays, Wednesdays, Thursdays and Fridays from 8 am to 5 pm and has extended hours on Tuesdays from 8 am to 8 pm. For more information or to schedule an appointment for an eye exam, please call 215-707-3185.
