

VPI Pet Insurance: Now Your *Entire* Family Can Be Protected

Veterinary medicine is amazing stuff. The cost of it, however, can sometimes hurt. With an affordable VPI Pet Insurance policy, you can have real peace of mind. After all, the last thing you want to worry about when your pet gets hurt or sick is the cost. You simply want your pet to come home healthy.

Since your pet is a member of your family, you will want the financial freedom to do everything medically possible to save your pet's life. The great news is that as an employee of **Temple University** you can receive a group discount that makes a VPI Pet Insurance policy even more affordable! And if you enroll more than one pet, you can receive an even bigger discount!

A VPI policy covers thousands of medical problems and conditions related to accidents or illnesses (even cancer) for dogs, cats, birds, ferrets, rabbits, reptiles and other exotic pets. You have the freedom to visit any licensed veterinarian anywhere, even when you're away from home. Coverage helps pay for:

- Diagnostic tests
- Office visits
- Prescriptions
- X-rays
- Treatments
- Lab fees
- Hospitalizations
- Surgeries

Optional Vaccination & Routine Care Coverage is also available to help dog and cat owners with the cost of regular routine care that is necessary to keep your pets healthy. There's no deductible on routine care benefits and coverage helps pay for:

- Annual physical exam
- Vaccinations
- Heartworm protection
