

## AT at Work: Assistive Technology in the Workplace

A new training opportunity available to human resources staff, small business owners, and other employers.

### Assistive Technology in the Workplace: Tools to Accommodate Employees with Disabilities

This free presentation helps businesses understand how simple accommodations can support staff and maintain productivity; demonstrates how these accommodations can help retain hard-working employees; is designed to be presented in 60 minutes, but can be adjusted to meet your training needs; and is hands-on and interactive.

To arrange for a session for your company, please contact Pennsylvania Assistive Technology and Employment Collaborative, care of Ann Dolloff at Pennsylvania's Initiative on Assistive Technology, email [adolloff@temple.edu](mailto:adolloff@temple.edu), telephone 800-204-7428, 215-204-0452, TTY 866-268-0579.

Funded by the US Department of Labor, Office of Disability and Employment Policy (ODEP).
