Dear Colleague:

You are invited to attend the mini symposium entitled “What’s New in Liver Disease: Review of 2009 AASLD (Boston) Meeting” to be held on Saturday, December 5, 2009 at the Hilton-Philadelphia City Ave., Philadelphia, PA. This symposium will provide presentations on topics culled from the papers given during the Transplant Course, Post Graduate Course and Annual Meeting of the AASLD held in Boston in October 2009. The program is scheduled to start at 7:30am with a continental breakfast and conclude at 12:30pm with lunch. Our target audience is gastroenterologists who were unable to attend the National Liver Meetings and general practitioners and general internists who have an interest in liver disease. The faculty is drawn from hepatologists attending academic centers in Philadelphia. A nominal \$15.00 fee is being charged for attendance at the symposium.

Sincerely,

Martin Black, M.D.
Clinical Professor of Medicine
Chief, Liver Unit
Director, Liver Transplantation
