

LEARNING OBJECTIVES

After the completion of this course, participants should be able to:

- DISCUSS new findings, primarily in clinical research, that were presented at DDW 2012
- UNDERSTAND how these new findings will advance and change patient care

INTENDED AUDIENCE

- Practicing gastroenterologists who want to hear about new findings presented at DDW who may have not attended the DDW meeting.
- Academic gastroenterologists who want to be updated on new findings in several areas
- GI fellows that want to stay abreast on new findings for practice or credentialing
- Clinical nurse practitioners and physician assistants who want to learn about how to incorporate new findings into patient care

ACCREDITATION STATEMENT

Temple University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor Continuing Medical Education for Physicians.

NURSING ACCREDITATION

Temple University School of Medicine is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Nurses will receive up to 3.5 Contact Hours.

CERTIFICATION STATEMENT

Temple University School of Medicine designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY

It is the policy of the Temple University School of Medicine, The Albert J. Finestone, M.D., Office of Continuing Medical Education that the speaker and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). Temple University School of Medicine, Office for Continuing Medical Education has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to the activity.
