

**Temple University
Otolaryngology Department
Grand Rounds Conferences 2010–2011**

OBJECTIVES (as required by the CME Department of Temple University School of Medicine):

After participating in this course (over two years) the participants will be able to:

- 1) Articulate the core knowledge for clinical Otolaryngology.
- 2) Provide the rationale for treatment of patients with Otolaryngological problems.

INTENDED AUDIENCE:

Otolaryngology residents, medical students, and faculty as well as interested community Otolaryngologists.

The Temple University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Temple University School of Medicine takes responsibility for the content, quality, and scientific integrity of this CME activity. Physicians should claim credit commensurate with the extent of their participation in the activity.
