

If for some reason you do not wish to allow your students to download the liveclassrooms available as archived session in your course, you can follow the steps below to disable this function in the Wimba liveclassroom settings located in Blackboard.

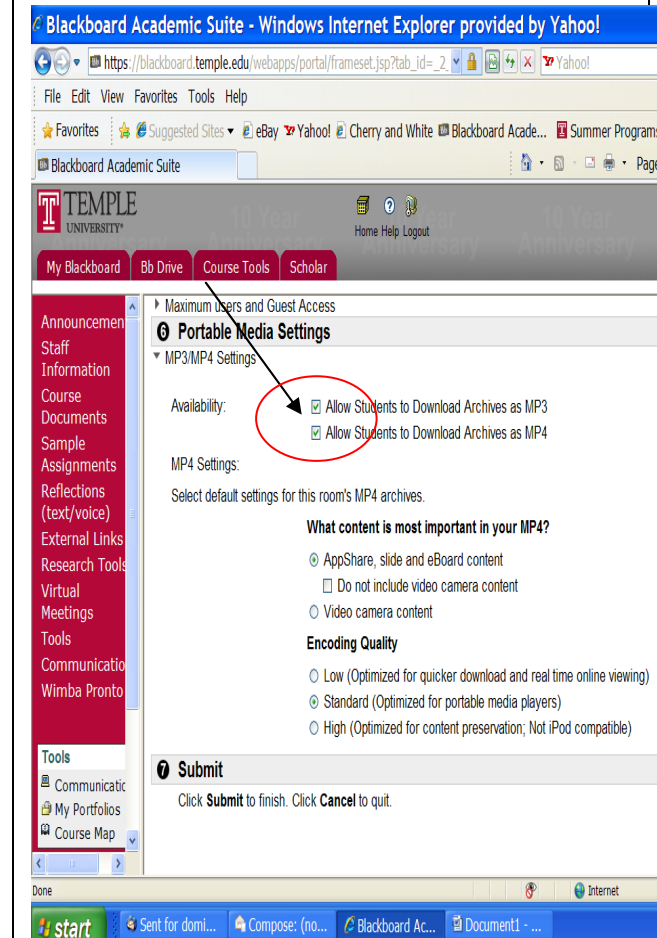

1. Before entering your Live Classroom, please click on ROOM SETTINGS.

2. Then click on the arrow located in item Portable Media

3. And **uncheck** boxes.

Remember to click on SUBMIT at the bottom of the page after unchecking the 2 availability boxes.
