Re: Student Parking Options and Procedures – Fall 2009  
Date: July 1, 2009

---

In a continuing effort to better serve the needs of all students who require parking on the Health Sciences Center Campus, the period that parking can be reserved and purchased has been largely expanded. For the Fall Semester – 2009, only reservations by mail will be accepted and will be prioritized by the postmarked date as of 07/01/09 throughout 07/31/09. **No walk-in reservations will be accepted until 8/3/09.** To ensure that your first or second choice of parking areas is available, we strongly encourage you to mail your reservation within the prescribed time frame noted above. This will help to eliminate any lines caused by purchases made directly at the office, shortly before the semester begins.

### Parking Area Options:

1. Carlisle West Garage – located at Carlisle & Ontario Streets; enter on 15<sup>th</sup> Street. Open 24 HOURS, Monday – Thursday; until 10:00 PM on Friday; Closed Sat-Sun; reopens at 5:00 AM Monday.

You must have a valid Temple Student I.D. card to complete this process. Your Temple I.D. card will be activated for parking and must be used as a swipe card to enter / exit the parking areas.

1. Visit the Parking Services Office, located on the ground floor of the Carlisle West Garage (Modular Office), Monday – Friday, 8:30 AM to 5:00 PM. Present your Temple I.D. to the customer service representative and pick-up your hangtag.

2. The payment that was mailed represents the Fall 2009 parking period of 8/31/09 through 12/31/09. If your parking needs begin prior to the period start date, additional fees will be assessed and required for payment before activating your parking agreement. The current guaranteed access fee for Students is prorated at \$ 20.26 per week for Battersby and \$ 21.40 per week for the Carlisle West Garage assignments. If your personal parking needs begin on the first day of the period, no additional fees will be assessed. Once final payment is made, you will be issued a parking hangtag that identifies your assigned parking area and your status as a Guaranteed Access Parker. This hangtag serves as secondary identification in case of power failure or computer system failure. With your payment process complete, your Temple I.D. activated, and your hangtag issued, you are ready to begin parking.

To summarize, Fall 2009 parking will be sold on a first-come, first serve basis as of 07/01/09. Reservations received via mail (postmarked) between 07/01/09 and 08/01/09 will be given first priority, based upon the date received (postmarked). "Walk-in" registrations at the office will begin on Monday, 08/03/09. For your convenience, we accept cash, checks, Visa, MasterCard, Discover and American Express. Throughout this process, every attempt will be made to honor the parking area preferences you have indicated. However, availability is limited based on the parking lot capacity. **Reservations that are NOT finalized and picked up by 09/7/09 will be forfeited and returned for sale on a first-come, first-serve basis, based on availability.**

We look forward to serving your parking needs as a new academic year quickly approaches. Please have a safe, enjoyable summer holiday.
