

Parking Policy For Retired Faculty Emeritus

Retired Faculty who have obtained “Emeritus” status, upon visiting the Human Resources Department, will be given a new Temple University ID card labeled “Emeritus”. Upon presentation of the Retired Faculty Emeritus ID card at the Office of Parking Services, the ID card will be entered into the McGann System in order to register the parker and provide a free parking benefit. Retired Faculty Emeritus personnel may use their ID card to park, free of charge, at any Temple University parking area via use of the card swipe readers. On those Temple campus parking areas that do not have swipe card readers, access to the parking area will be provided by the parking attendant, upon inspecting the ID card to ensure that it bears the “Emeritus” label.
