

## **TEMPLE UNIVERSITY ID / ACCESS CARDS**

Guaranteed Access parkers will utilize their Temple I.D. Card as their parking access card. Depending upon the assigned area, the I.D. Card is used at all points of entry and exit. Therefore, it is essential to maintain a valid, operational I.D. Card. The Temple I.D. Card must be used at the gate by registered parker.

After 4:00 PM Friday and all day Saturday and Sunday, all guaranteed access parkers are accepted in the Ontario West Garage until 6:00 AM Monday without charge. The time of exit must be 6:00 AM or earlier. The same applies to holidays. Unauthorized overnight parking in surface parking areas may result in the ticketing and/or towing of the vehicle.

If you wish to cancel your guaranteed access parking, you must complete a cancellation form and return your hangtag to the Parking Services office. For users who cannot take advantage of convenient payroll deductions, it is their obligation to assure that a parking bill is paid in advance of the designated parking period. Failure to pay one's bill on a timely basis could result in the cancellation of your parking assignment.

## **GUARANTEED ACCESS PARKING**

Guaranteed access parking provides the parker a space in an assigned parking area at a set rate. The parker has the privilege of entering and exiting the assigned parking area at no additional charge. Payments for parking at Temple University are made in full at the beginning of every semester (four months). Upon purchase, a hangtag will be provided. Your hangtag and your current Temple ID card are the mechanisms that control your entrance into the parking area or garage. As an option, faculty and staff members with a valid Temple ID may opt for convenient payroll deductions. Prior to the beginning of the respective parking period, parkers who are not on payroll deduction, have the options of paying by checks (payable to **Temple University**) or via credit cards. We accept Visa, MasterCard, Discover, Mac and American Express.

- ❖ If you wish to cancel your guaranteed access parking, a cancellation notice must be submitted (one month's notice), and your hangtag must be returned to the **Office of Parking Services**. Otherwise, parking charges will continue to accrue.

## **HANGTAG/DECAL**

Guaranteed access parkers are issued a hangtag for their respective parking area. The purpose is to serve as a secondary means of guaranteed access identification in the event of a system or power failure, equipment malfunction, etc. Additionally, when exercising one's right of reciprocity (to park in another area when one's area is closed) a valid hangtag must be presented to the cashier in order not to incur daily charges. Hangtags should be affixed or hung on the back of the rear-view mirror inside the vehicle so they are visible through the front windshield at all times. This enables us to contact you quickly in the event your lights are on, etc.

- ❖ Must be hung on the back of the rear view mirror.
- ❖ Vehicles not displaying hangtag must pay the daily cash rate.
- ❖ LOST HANGTAG REPLACEMENT FEE IS \$10.00
- ❖ Hangtag must be removed under the following conditions;
  - Termination of association with University
  - Issuance of new hangtag which supersedes current hangtag
  - Termination of period for which hangtag was issued

- If you change vehicles, please notify the Office of Parking Services, located on the ground level of the Carlisle West Garage, so we can update your vehicle information in our computer system.
