POST-MASTER'S MEDICAL DEVICE CERTIFICATE

APPLICATION

1. Students must formally apply to Post-Master's Certificates before registering for courses.
2. Mail hard copy of this form to Temple U, RA and QA Graduate Program, 425 Commerce Drive, Suite 175, Fort Washington, PA 19034.
3. Include photocopies of transcripts from all undergraduate and graduate colleges and universities attended.
4. Certificates are not automatically awarded. You must submit the Notice of Completion (available on the Certificate Link) to the RAQA Office by the stipulated deadline.

Name _____
 Address _____ Apt _____
 City _____ State _____ Zip _____
 TUID (Temple MS graduates only) _____ E-mail Address _____
 Daytime phone _____
 Undergraduate School attended _____
 Degree Received _____ Year _____
 Graduate School attended _____ Year _____
 Signature _____ Date _____

On a separate sheet of paper, please write a brief statement (maximum 350 words) of why you are interested in pursuing the Post-Master's Certificate in Medical Devices.

Students need to take four additional courses beyond the MS to receive the Post-Master's Certificate in Medical Devices. Three of the courses must be: Regulation of Medical Devices: Compliance (5496), Regulation of Medical Devices: Submissions (5502); and Global Medical Device Regulation (5505), unless the student has already taken that course while completing the MS in RAQA. Then the student may substitute another course. Students with advanced degrees from schools other than Temple must take five courses, including Food and Drug Law.

Please indicate which course(s) you intend to take for the Post-Master's Certificate in Medical Devices:

- Regulation of Medical Devices: Compliance (5496)
- Regulation of Medical Devices: Submissions (5502)
- Global Medical Device Regulation (5505)

If students have already completed one of the courses listed above, they may select an alternate from the following courses:

- Process Validation (5474)
- Quality Audit (5494)
- Computer Validation (5498)
- Design Controls: Medical Devices/Combination Products (5503)
- Advanced Audit Workshop of Quality Systems (5511)
- Pharmaceutical Packaging: Technology and Regulation (5541)
- Risk Management of Pharmaceutical and Medical Devices (5548)
- Special Topics (5650) - either of the Special Topics courses related to Medical Devices.

Please list one alternate (this is solely for scheduling purposes):
