Would you like to contribute to the FDAAA Centennial Scholarship?

The FDAAA Centennial Scholarship is the first scholarship available to QA/RA students. Education plays a critical role in shaping people's lives, opening opportunities and expanding their career paths. There are many students in the QA/RA program who have no source of funding for their education and would be grateful to receive financial support. You can make a difference in a student's life by sending donations to the FDAAA Centennial Scholarship fund. All donations go directly to the FDAAA Centennial Scholarship and are tax deductible, as permitted by federal law.

To contribute to the fund:

Please send donations to:

Christopher Van Vessem
Director of Development
Temple University School of Pharmacy
3307 N. Broad Street
Philadelphia, PA 19140

The check should be made out to *Temple University School of Pharmacy*. On the memo section of the check, please indicate that your gift is for the *FDAAA Centennial Scholarship Fund*.
