Program Mission:

WITU has a goal to provide innovative cognitive behavioral treatment for adolescent offenders. This treatment is for offenders who have substance abuse, mental health, and antisocial or dual diagnosed problems. We utilize a service delivery system within the framework of safety and security. We are committed to quality treatment that is provided in a staff and community effort to insure a balanced approach to restorative justice. We are further committed to provide long-term benefit to our customers by reducing offender recidivism, which will assist in reducing cost of crime to society.

Program Objectives
