Your hair can be down or pulled back, but be certain that you will not play with it during an interview.

Be sure to wear minimal jewelry—stud earrings or a simple necklace. Remove facial/tongue piercings.

Wear a dark color suit—black, grey or navy. You can wear either a pant or skirt suit. If you choose to wear a skirt suit, skirts should hit right below the top of your knee.

Cover any tattoos.

If you choose to wear a skirt suit, do not forget to wear hose/stockings.

Put away your club shoes and stilettos—wear a kitten heel or shorter heel. You might have walking to do and you do not want to be teetering or in pain.

Note: Don’t forget to carry a padfolio containing your resume.
