

Jessica M André
Graduate Program in Psychology
Weiss Hall
Temple University
Philadelphia, PA 19122
E-Mail jandre@temple.edu

Education

Rutgers, The State University of NJ, Cook College 1999 - 2003
New Brunswick, New Jersey
Majors: Psychology, Biology

Temple University, Philadelphia, Pennsylvania 2004 - present
Ph.D. program in Psychology with a specialization in Neuroscience

Degrees

B.S., 2003 Rutgers, The State University of NJ,
New Brunswick, New Jersey

Teaching Experience

Graduate Teaching Assistant Fall 2004, Spring 2005
Psychology as a Social Science
Temple University, Philadelphia, PA

Graduate Teaching Assistant Spring 2006, Fall 2006
Scientific Thinking in Psychology
Temple University, Philadelphia, PA

Primary Instructor Spring 2007
Scientific Thinking in Psychology
Temple University, Philadelphia, PA

Research Experience

Undergraduate Research Assistant Fall 2002, Spring 2003
Department of Psychology
Rutgers, The State University of NJ, New Brunswick, NJ
Advisor: Dr. Mark O. West

Graduate Research Assistant Fall 2005
Department of Psychology
Temple University, Philadelphia, PA
Advisor: Dr. Thomas Gould

Graduate Research Assistant
Department of Psychology
Temple University, Philadelphia, PA
Advisor: Dr. Ingrid Olson

Fall 2007, Spring 2008

Professional Memberships

Society for Neuroscience
Philadelphia Chapter Society for Neuroscience
Pavlovian Society

Awards and Honors

National Merit Scholarship, Rutgers, The State University of NJ
James Dickson Carr Scholarship, Rutgers, The State University of NJ
Teaching Assistantship, Temple University

Manuscripts

André, J.M., Gulick, D., Portugal, G.S., & Gould, T.J. (2008). Nicotine withdrawal disrupts both foreground and background contextual fear conditioning but not pre-pulse inhibition of the acoustic startle response in C57BL/6 mice. *Behavioral Brain Research*, 190(2): 174-181.

Published Abstracts

André, J.M., Gulick D., Portugal, G.S. & Gould, T.J. (2007) Withdrawal from chronic nicotine interrupts both foreground and background contextual fear conditioning but not pre-pulse inhibition in C57BL/6 mice. *Annual Meeting of the Society for Neuroscience*, San Diego, CA.

Andre, J.M. & Gould, T.J. (2006) Nicotine Reverses MK-801 Induced Deficits in Contextual Fear. *Annual Meeting of the Society for Neuroscience*, Atlanta, GA.

Andre, J.M. Davis, J.A., Gulick, D., Porter, J. Portugal, G.S., & Gould, T.J. (2006). Nicotine Withdrawal-Associated Deficits are Demonstrated in Both Foreground and Background Contextual Fear Conditioning but not Pre-Pulse Inhibition. *Pavlovian Society Meeting*, Philadelphia, PA.

Andre, J.M., Davis, J.A., Porter, J., & Gould, T.J. (2006) Acute Nicotine Enhancement and Nicotine Withdrawal-Associated Deficits are Demonstrated in Both Foreground and Background Contextual Fear Conditioning. *Philadelphia Chapter Annual Meeting of the Society for Neuroscience*, Philadelphia, PA.
