

**Undergraduate Students Participation in Published Research and Conference
Presentations
(Undergraduate Students Noted in Italics)**

Articles

- Alloy, L.B., Reilly-Harrington, N., *Fresco, D.M.*, Whitehouse, W.G., & Zechmeister, J.S. (1999). Cognitive styles and life events in subsyndromal unipolar and bipolar mood disorders: Stability and prospective prediction of depressive and hypomanic mood swings. *Journal of Cognitive Psychotherapy: An International Quarterly* 13, 21-40. Special issue on Cognitive Vulnerability to Psychopathology.
- Andrzejewski, M. E., *DiFrancisco, E.*, and Bersh, P. J. (2002). Brief reinforcement delays in mixed and multiple schedules: Reinforces and temporal regularity as discriminanda. Annual meeting, Association for Behavior Analysis (International).
- Andrzejewski, M.E., *Terry-Cain, S.*, and Bersh, P.J. (In press). Acquisition of discriminated operant responding: The effects of brief reinforcement delays. *Psychological Record*.
- Baenninger, R., *Dungelmaier, R.*, *Navarrete, J.* & Sezov, D. (2000). What's in a name? Uncovering the connotative meanings of animal names. *Anthrozoos*, 13, 113-117.
- Bersh, P. J., *DiFrancisco, E.*, *Moyer, A.*, and Andrzejewski, M. (2003). Effect of reinforcement schedule and component duration on mixed and multiple schedule performance. Annual Meeting, Association for Behavior Analysis (International).
- Coles, M.E., Turk, C.L., *Jundra, L.* & Heimberg, R.G. (In Press). The path from initial inquiry to initiation of treatment for social anxiety disorder in an anxiety disorders specialty clinic. *Journal of Anxiety Disorders*.
- DiFrancisco, M.*, *Zell, R.*, Andrzejewski, M., Bersh, P. J., and Hammond, L. J. (1999). The effect of number of S+/S- transitions on operant discrimination. *Abstracts of the Psychonomic Society*, 17, 13.
- Gould T.J. and *J.S. Higgins* (2003) Nicotine Enhances Contextual Fear Conditioning in C57BL/6J Mice at 1 and 7 Days Post-Training. *Neurobiology of Learning & Memory*, 80:147-157.
- Gould T.J. and *J.A. Lommock* (2003) Nicotine Enhances Contextual Fear Conditioning and Ameliorates Ethanol-Induced Deficits in Contextual Fear Conditioning. *Behavioral Neuroscience*, 117: 1276-1282
- Higgins, S. A.*, *Sulkoski, J.*, *Doney, J.K.*, Andrzejewski, M.E., Hammond, L.J., and Bersh, P.J. (2000). The effects of reinforcement schedule and negative stimulus exposure upon the development of stimulus control. *Proceedings and Abstracts of the Eastern Psychological Association*, 17, 13.

Jarbe, T.U.C., Andrzejewski, M.E. and **DiPatrizio, N.V.** Interactions between the CB1 receptor agonist 9-THC and the CB1 receptor antagonist SR-141716 in rats: Open-field revisited. *Pharmacol, Biochem. Behav.*, 73: 911-919, 2002.

Jarbe, T.U.C., **DiPatrizio, N.V.**, Li, C., Makriyannis, A. The cannabinoid receptor antagonist SR-141616 does not readily antagonize open-field effects induced by the cannabinoid receptor agonist (R)-methanandamide in rats. *Pharmacol. Biochem. Behav.*, 75: 809-821, 2003.

Jarbe, T.U.C., **DiPatrizio, N.V.**, Lu, D., Makriyannis, A. (-) –Adamantyl-8-tetrahydrocannabinol (AM-411), a selective cannabinoid CB1 receptor agonist: Effects on open-field behaviors and antagonism by SR-141716 in rats. (Behavioural Pharmacology, Submitted)

Murray, L.A., Whitehouse, W.G., & Alloy, L.B. (1999). Cognitive Mood congruence and depressive deficits in memory: A forced-recall analysis. *Memory*, 7, 175-196.

Reilly-Harrington, N., Alloy, L.B., **Fresco, D.M.**, & Whitehouse, W.G. (1999) Cognitive styles and life events interact to predict bipolar and unipolar symptomatology. *Journal of Abnormal Psychology*, 108, 567-578. Special Section of Psychosocial Factors in the course and Treatment of Bipolar Disorder.

Taylor, R.D., Seaton, E., **Dominiguez, A.**, & **Rodriguez, A.U.** (In Press). The association of financial resources with parenting and adolescent adjustment in African-American families. *Journal of Adolescent Research*.

Taylor, R.D., Seaton, E. & **Rodriguez, A.U.** (2002). Psychological adjustment of urban, inner city ethnic minority adolescents. *Journal of Adolescent Health*, 33, 280-287.

Published Abstracts from Scientific Meetings

Gould T.J. and **J.S. Higgins** (2002) Nicotine produces long-lasting enhancement of contextual fear conditioning in C57BL/6 mice. *Soc Neurosci Abstr* 185.2.

Higgins, J.S. and T.J. Gould (2001) Long lasting enhancement of contextual fear conditioning in C57BL/6 mice. *Integrative Physiological & Behavioral Science* 36:317.

Lewis, M.C., **Bartocci, C.** and T. J. Gould (2002) NMDA and protein synthesis involvement in latent inhibition: A non associative learning processes. *Soc Neurosci Abstr* 684.4.

Conference Presentations

Alloy, L.B., Reilly-Harrington, N.A., **Fresco, D.M.**, & Whitehouse, W.G. Cognitive styles and life events as predictors of bipolar and unipolar symptoms. Paper presented at the Symposium on Cognitive Styles and Psychopathology at the Society of Personality and Social Psychology Meeting, February, 2000, Nashville, TN.

Alloy, L.B., Reilly-Harrington, N.A., Fresco, D.M., Whitehouse, W.G., & Abramson, L.Y. Cognitive vulnerability-stress prediction of bipolar and unipolar symptomatology. Paper presented as part of the Symposium on Bipolar Disorders at the World Congress on Cognitive and Behavior Therapy Meeting, July, 2001, Vancouver, Canada.

Cane, S., Andrzejewski, M., and Bersh, P. (2000). Stimulus Control: The effect of brief reinforcement delays. Annual Meeting of the Association for Behavioral Analysis (International).

Coles, M.E., Turk, C.L., Jindra, L. & Heimberg, R.G. (2000, November). Barriers along the path from initial inquiry to completion of treatment for social anxiety. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.

DiFrancisco, E., DiFrancisco, M., Andrzejewski, M., and Bersh, P. (2000). Stimulus Control: The effects of S+/S- transitions and schedule of reinforcement. Annual Meeting, Association for the Behavior Analysis (International).

DiFrancisco, E., Andrzejewski, M., and Bersh, P. (2001). *The effect of component duration upon mixed schedule performance.* Annual Meeting, Association for Behavior Analysis (International).

DiFrancisco, M., Zell, R., Andrzejewski, M., Bersh, P. J., and Hammond, L. J. (1999). The effect of number of S+/S- transitions on operant discrimination. Annual Meeting of the Psychonomic Society (National).

DiPatrizio, N.V. CPDD = College on Problems of Drug Dependence. Meeting Puerto Rico, Summer 2004.

Floyd, T.D., Gibb, B.E., Zhu, L., Alloy, L.B., Athaven, S., & Schmehl, M. An experimental test of the hopelessness theory of depression. Paper presented at the Association for the Advancement of Behavior Therapy Meeting, November, 2000, New Orleans, LA.

Fresco, D.M., Heimberg, R.G., Mennin, D.S., Abramowitz, A., Dangelmaier, R. & Bertram, T. (2000, August). Explanatory flexibility: Further examination of a measure of cognitive process. Paper presented as part of the symposium "Cognitive Styles and Psychopathology" at the annual meeting of the American Psychological Association, Washington, DC.

Fresco, D.M., Heimberg, R.G., Abramowitz, A., & Bertram, T. (2000, November). Changes in explanatory flexibility following mood priming challenge: Further evidence relating a new process measure to depression. A paper presented as part of the symposium "Considering Cognitive Processes: Extending Our Understanding of Psychopathology and Treatment" at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.

- Fresco, D.M.**, Mennin, D.S., Turk, C.L., **Danglemaier, R.**, & Heimberg, R.G. (2000, November). The relationship of explanatory flexibility to emotion deregulation: Towards an understanding of the benefits of flexibility. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA
- Gibb, B.E., Alloy, L.B., **Villari, A.G.**, Comer, J.S., Change, G.H., & Walshaw, P.D. Emotional maltreatment and attribution styles in children. Paper presented at the Association for the Advancement of Behavior Therapy Meeting, November 2002, Reno, NV.
- Golinkoff, R., Chung, H., Hirsh-Pasek, K., **Rocroi, C.** & Hollich, G., McKineey, M. & Hennon, E. What's new in word learning? A new theory and a new method. American Psychological Society, Washington, DC May, 1998.
- Hart, T.A., Heimberg, R.G., & **Belco, L.H.** (1999, November). The relation of marital status to presenting complaints of patients with social phobia. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, Toronto, Ontario, CA.
- Hart, T.A., Heimberg, R.G., & **Palyo, S.A.** (2000, November). Social physique anxiety among people with and without social phobia. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
- Hedtke, K., Comer, J.S., **Leonard, S.**, & Kendall, P.C. (2003). Social Phobia and Generalized Anxiety Disorder in youth: An exploratory factor analysis. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Philadelphia, PA.
- Hennon, E., Hirsh-Pasek, K., Golinkoff, R., **Rocroi, C.**, Arnold, K., Hollich, G. From proper nouns to categories: Infants learn how words work. International Conference on Infant Studies. Brighton, UK July, 2000.
- Hennon, E., Hirsh-Pasek, K. & Golinkoff, R., **Slutzky, C.**, **Sootsman, J.** Reconciling competing theories of word learning: developmental changes from 10 to 24 months. Society for Research in Child Development, Minneapolis, MN, April 2001.
- Hennon, E., **Rocroi, C.**, Chung, H.L., Hirsh-Pasek, K. & Golinkoff, R. Testing the principle of extendibility: Are new words learned as proper nouns or category labels? Society for Research in Child Development, Albuquerque, NM. April, 1999.
- Higgins, S. A.**, **Sukolski, J.**, **Doney, J. K.**, Andrzejewski, M.E., Hammond, L. J., and Bersh, P. J. (2000). Annual Meeting of the Eastern Psychological Association (regional).
- P. N. Himeline, **Kathleen Bailey**, Matthew Andrzejewski, & Leslie Cohen. "Taking the Good Luck Out of Pot Luck: Preferences for Variable Schedules Without Small Minimum Values." Poster Presentation. Association for Behavior Analysis, International, May, 1998
- P. N. Himeline, **Ruth M. DeBar** & Matthew E. Andrzejewski. "Where's That Patch? Introducing

Variability in the Between-Patch Component of a Foraging Simulation.”Poster presentation: Association for Behavior Analysis, International, May, 1999

P. N. Hinline *Dana J. Becker* & Matthew Andrzejewski “Experimenting on People Experimenting: A Signal-Detection Analysis.” Poster Presentation Association for Behavior Analysis, International, May, 2000.

Hirsh-Pasek, K., Hollich, G., Golinkoff, R. & *Rocroi, C.* Advancing the preferential looking paradigm: When less is more. American Psychological Society, Washington, DC May, 1998.

Hollich, G., Hirsh-Pasek, K., Golinkoff, R., *Brand, R.*, Hankey, C., *Rocroi, C.*, & Hennon, B. Breaking the word barrier: How infants learn their first words. International Conference on Infant Behavior, Atlanta, GA April, 1998.

Hollich, G., *Rocroi, C.*, *Allen, S.*, Hirsh-Pasek, K., Golinkoff, R. Testing language comprehension in infants: Introducing the split screen preferential looking paradigm. Society for Research in Child Development, Albuquerque, NM. April, 1999.

Luterek, J., Mennin, D., Marx, B., *Connor, C.E.*, & Heimberg, R.G. (2000 November). An experimental assessment of experiential avoidance using a thought suppression paradigm in individuals with a history of childhood sexual abuse. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.

Maguire, M., Hennon, E., Hirsh-Pasek, K., *Slutzky, C.*, *Sootsman, J.* Mapping words to actions and events: How do 18-month-olds learn a verb? Boston Language Conference, November, 2001.

Maguire, M., Hennon, E., Hirsh-Pasek, K., Golinkoff, R., & *Slutzky, C.* (2001) Infants development of lexical categories: Moving from perceptual to social cues. Society for Research in Child Development, Minneapolis, MN, April, 2001.

Meyer, M., *Leonard, S.*, Hirsh-Pasek, K., Imai, E., Haryu, E., Pulverman, R., Addy, D., Golinkoff, R. Making a convincing argument: A cross linguistic comparison of noun and verb learning in Japanese and English. Boston Language Conference, November, 2003.

Morgan, K.R., Andrzejewski, M.E. Bersh, P.J., and Hammond, L. J. (1999). Is the number of reinforcements a primary factor in the development of stimulus control. Annual Meeting of the Association for Behavior Analysis (National).

Morgan, K., Andrzejewski, M., and Bersh, P. (2000). Stimulus control: The effect of varying the value of a random interval schedule. Annual Meeting of the Association for Behavior Analysis (International).

Palyo, S.A., Heimberg, R.G., & Hart, T.A. (2001, November). Development and examination of

- the Social Appearance Anxiety Scale. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, Philadelphia, PA.
- Reilly-Harrington, N.A., Alloy, L.B., **Fresco, D.M.**, & Whitehouse, W.G. Cognition and stress in bipolar and unipolar disorder. Paper presented at the American Psychiatric Association Meeting, May, 1999, Washington, D.C.
- Reilly-Harrington, N.A., Alloy, L.B., **Fresco, D.M.**, & Whitehouse, W.G. Cognitive styles and life events as predictors of bipolar and unipolar symptomatology. Paper presented at the Symposium on Cognitive Vulnerability to Emotional Disorders at the American Psychological Society Meeting, June, 1999, Denver, CO.
- Reilly-Harrington, N.A., Alloy, L.B. & **Fresco, D.M.** Cognitive style in bipolar disorder: The association of family history and co morbidity. Paper presented at the Third International Conference on Bipolar Disorder, June, 1999, Pittsburgh, PA.
- Reilly-Harrington, N.A., Alloy, L.B., & **Fresco, D.M.** Cognitive style in bipolar disorder: The association of family history and co morbidity. Paper presented at the Symposium on Cognitive Processes in Bipolar Disorder at the Association for the Advancement of Behavior Therapy Meeting, November, 1999, Toronto, Canada.
- Reilly-Harrington, N.A., Alloy, L.B., **Fresco, D.M.**, & Whitehouse, W.G. A longitudinal study of cognition and stress as predictors of bipolar and unipolar symptomatology. Paper presented at the Symposium on Prospective Studies on Cognitive Vulnerability to Affective Disorders at the Association for the Advancement of Behavior Therapy Meeting, November 1999, Toronto, Canada.
- Robin, J.A., Garcia, A., **Diaz, A.**, & Kendall, P.C. (2002, November). The relationship between emotion regulation and social competence in anxious and nonanxious youth. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Philadelphia, PA.
- Romer, D., Alloy, L.B., Scott-Jones, D., Dyller, I., Chiara, A., **Weiss, E.**, & Sisti, H. Optimism, stress and HIV-prevention behavior in adolescent mothers. Paper presented at the International Congress of Cognitive Psychotherapy. "Cognitive Psychotherapy Towards a New Millennium," June, 2000, Catania, Italy.
- Sulkoski, J., Higgins, S.**, Andrzejewski, M., and Bersh, P. (2000). Stimulus control: The effects of number of Sd reinforcements and Sdelta duration. Annual Meeting of the Association for Behavior Analysis (International).
- Taylor, R.D., Jacobson, L., **Rodriguez, A.U.**, **Dominguez, A.**, Cantic, R., **Doney, J.**, **Boccuti, A.**, **Alejandro, J.** & Tobon, C. (2000). Stressful experiences and the psychological functioning of African-American and Puerto Rican Adolescents. In R. Taylor and M. Wang (Eds.) Resilience across contexts: Family, work culture, community. (pp.35-53). Hillsdale, NJ: Lawrence Erlbaum Associates.

Walshaw, P.D., Villari, A.G., Gibb, B.E., & Alloy, L.B. Children's attributions and depressive symptoms as related to parents' attributions for their children's events. Paper presented at Society for Research in Psychopathology Meeting, September, 2002, San Francisco, CA.
