All current undergraduate students (admitted prior to Fall 2008) and new transfer students admitted in the 2008-2009 and 2009-2010* academic years will complete a version of the Core Curriculum:

- If students have fewer than 45 credits in transfer, they will complete the full Core Curriculum using Core or GenEd courses taken at Temple or the equivalent transfer courses, with the exception of two Writing Intensive courses, which must be taken at Temple;
- If students have 45 or more credits in transfer, they will complete the 45+ Core Curriculum using Core or GenEd courses taken at Temple or the equivalent transfer courses, with the exception of two Writing Intensive courses, which must be taken at Temple;
- If students have completed an approved Associate's degree from a Core-to-Core partner institution, their University Core Curriculum is complete with the exception of two Writing Intensive courses, which must be taken at Temple.
