

Examination Schedule, Spring 2010, May 6 – May 12, 2010

There will be two Study Days this semester: Tuesday and Wednesday, 5/4 and 5/5. *No classes or exams may be held on these two days.* Thursday, 5/6 through Wednesday, 5/12 are reserved for final examinations only.

Instructors are encouraged to work out individual accommodations with students who have more than 2 examinations scheduled on one day. Final examinations may not be scheduled in the last week of classes, or on study days. Instructors with special scheduling circumstances should consult well in advance with their Dean.

All day and evening classes will have final examinations, according to the schedule below, in their regular classrooms. Please see the last page for the common final exam schedules.

Students attending classes that meet for more than 2 hours on any given day should contact their Dean's Office to find out when, and where, their examinations will be held.
