

## Instructions: 2009 – 2010 Verification Worksheet Federal Student Aid Programs

Dear Student:

Your application was selected for review in a process called “verification”. In this process, Temple University will be comparing information from your FAFSA application with signed copies of your and (your parents’) 2008 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or Temple University may need to make corrections electronically or by using your Student Aid Report (SAR).

Complete this Verification form and submit it, along with all required documents, to Student Financial Services as soon as possible, but no later than 30 days, so that your financial aid won’t be delayed.

What you should do:

1. Collect your and your parent(s) financial documents (signed federal tax forms, W-2 forms etc.)
2. Contact Student Financial Services (SFS) at Temple if you have questions about completing this worksheet.
3. Complete and sign the worksheet. It is important that you and your parent complete all questions on the worksheet. Do Not skip any questions – if your answer is Zero “0” place a “0” in the space provided or if the question does not apply to you write “N/A” for not applicable.
4. Submit the completed worksheet, tax forms, and any other documents requested by SFS with-in 14 days.
5. SFS will compare information on this worksheet and any supporting documents with the information you submitted on your application. You may need to make corrections electronically or by using your SAR.
