*A complete list of all foods being prepared MUST be provided for any potluck or event where food is being prepared by individuals. Details of how food will be kept hot or cold should also be included.

Justification for Exception Request:
- ☐ Sodexo unable to provide requested items.
- ☐ Other: _________________________________________
_________________________________________________________________________________________________
_________________________________________________________________________________________________

Exception to the catering policy requires written approval in advance from the Office of Business Services as well as justification and signature approval from Sodexo. Documentation must be presented that allows for a comparison between what Sodexo Catering Services or the Diamond Club (which includes Sodexo Catering Services) offers and the outside caterer. Off-campus caterers must produce (1) a copy of their Certificate of Liability Insurance, which must reflect a minimum of $1 million in liability coverage, and (2) list Temple University as an Additional Insured and Certificate Holder on the certificate.

NOTE: For complete details regarding off-campus events, refer to the Catering Policy at [http://www.temple.edu/controller](http://www.temple.edu/controller).
