Re: Health Care Quality Units

Dear Colleague:

Enclosed is the draft bulletin "*Health Care Quality Units*". This document is being forwarded to you for your review and comment. Your input will assist the Office of Developmental Programs (ODP) in the creation of a final bulletin.

The purpose of the enclosed bulletin is to describe Health Care Quality Units (HCQUs) and their functions, as well as the roles and responsibilities of Administrative Entities, County Mental Health and Mental Retardation Programs, and providers related to HCQUs.

In order to assure timely review and revision of the draft bulletin, please forward written comments via email to [ra-ODPComment@state.pa.us](mailto:ra-ODPComment@state.pa.us) no later than 30 calendar days from the date of this letter. All comments received by that date will be considered in preparation of the final bulletin.

Thank you in advance for your input.

Sincerely,

A handwritten signature in cursive script that reads "Kevin T. Casey".
