

Procedure Codes No Longer Valid as of July 1, 2009

- The following procedure codes are no longer valid after July 1, 2009. Claim service lines submitted for services rendered after July 1, 2009 using any of the following codes will be denied.
- The following procedure codes will automatically be end-dated June 30, 2009. Providers will not need to end-date these services.
- Providers should update their service offerings in the SSD to include the new service offerings with the new procedure codes.
- To identify the new procedure codes, please reference the [Service Definition Crosswalk](#) found on the ODP Consulting Website.
