

**Get Green  
and Get Going  
with NAR's  
Green Designation**

**Green Designation 2-Day Core Course**  
**Wednesday February 17 and Thursday February 18, 2010**  
**9:00 am to 4:30 pm**  
**Tuition: \$295**

Green Designation Core Course provides real estate professionals with knowledge and awareness of green building principles applied in residences, commercial properties, developments, and communities so that they can help consumers in purchasing, retrofitting, and operating green properties. The course encourages the real estate professional to be an advocate for green principles in the design and use of homes and commercial buildings and a positive force for creating sustainable communities. Examples of "green" buildings from the Philadelphia area will be used extensively.

**Green Designation Residential Elective Course**  
**Wednesday February 24, 2010**  
**9:00 am to 4:30 pm**  
**Tuition: \$150**

Green Designation Residential Elective Course provides real estate professionals with knowledge and awareness of green building principles applied in residences so that they can guide buyer-clients in purchasing and retrofitting green homes as well as help sellers by listing and marketing green properties. The Course encourages the real estate professional to be an advocate for green principles in the design and use of homes and a positive force for creating sustainable communities. Examples of "green" buildings from the Philadelphia area will be used extensively.
