education beyond military service
You've served your country. Now you're preparing to face new challenges as you continue on into the world of higher education.

Temple University is committed to helping veterans and service members turn the skills and knowledge they earned through military service into academic success.

The Military and Veteran Services Center (MVSC) is the centralized resource for all military-affiliated students (veterans, service members, and their children and spouses) at Temple. The MVSC offers guidance and assistance with admissions, GI Bill benefits and the certification process, plus access to support services and veteran-related events on campus.

Visit temple.edu/veterans for all the information you need to move forward.
GETTING STARTED

Undergraduate Application
To apply for undergraduate admission, start by filling out an application online using either the Temple Application or the Common Application. Standardized testing is not required. Temple University’s Admissions Office offers information sessions and campus tours throughout the year. Contact them for further details, including specific timing.
admissions.temple.edu

Graduate Application
Requirements for graduate admissions and additional information can be found on the respective websites of each graduate school or college. Application procedures and forms are also available on each individual site.

New Student Orientation
All incoming first-year students who have confirmed their enrollment in the university participate in New Student Orientation—a two day, overnight program that includes academic advising, course registration and meeting with other students. Transfer students, graduate and professional students will receive Orientation from their prospective schools and colleges. The Military and Veteran Services Center holds a special welcome program specifically for military-related students and their families.

FINANCING

Certification
Service members, veterans and qualified family members who are newly admitted or currently enrolled students and want to use VA education benefits toward tuition and fees for the first time should begin by contacting the Office of Veterans Affairs at 1-888-442-4551 or visit vets.gov for eligibility information.

Financial Services
The Office of Student Financial Services (SFS) is ready to help you find additional financial resources if your GI Bill and/or Tuition Assistance do not fully fund your college education. The office also processes the Educational Assistance Program for Pennsylvania National Guard students. SFS provides financial aid counseling, and can assist you in making informed choices about financial aid and student loans.

Tuition Assistance for Active Duty Personnel
Prior to enrolling at Temple University, you should discuss an educational plan with your Educational Services Officer or the counselor from your military service branch. For questions about Tuition Assistance, please contact Third Party Billing Coordinator/Federal Awards for National Guards in Student Debt Management at 215-204-5643.
The Military and Veteran Services Center (MVSC) not only offers guidance, assistance and support services, it also sponsors a variety of activities and events for military-affiliated and veteran students at Temple. Each year MVSC offers the following signature programs to engage and honor our veteran population.

- Welcome Program for Veterans and Military-Affiliated Students
- Veterans Day Commemoration
- Women Veterans Forum
- Graduation Stole Ceremony
- Military Appreciation Month Activities

Conwell Hall, Suite 601
1801 N. Broad St.

The Temple Veterans Association (TVA) is a registered student organization where Temple veterans, service members and military-connected students can connect with one another and plan social activities. TVA also serves as an advocacy resource for veterans and service members regarding campus issues and is a participating member of Student Veterans of America. Visit the office located in the MVSC in Conwell Hall or call 215-204-8837.
Academic Advising Centers play a big role in your success as a student at Temple. You should arrange academic advising appointments during the semester by contacting your school or college’s advising center. Many advising centers also have walk-in advising hours. Meeting regularly with your advisor can resolve questions about degree requirements, course selections and graduation checks and minimize the time required to graduate.

The Career Center provides information on internships, job and career fairs, and postgraduate options. The Center hosts career assessments and can help you explore and develop your goals while learning effective ways to market yourself and your talents to employers. Many of these tools are available online.

The Office of the University Registrar certifies students in order for them to access their GI Bill benefits. In addition, Pennsylvania allows active duty personnel, veterans, their spouses and dependents to claim in-state tuition if they live in state. Active-duty U.S. service members and veterans are eligible to register on the first day of priority registration, regardless of the number of earned credits.
