Describe your ideal job. You are not listing a specific career or job. Rather you are describing the requirements for the perfect job.

What type of work would you do all day?

What kind of work environment; indoors, outdoors, or both? Why?

Are you working with people or alone? Why?

Are you working with your hands, head, or both? Why?

What type of salary would you like? (Starting and experienced)

Is there a set schedule or variable hours? Do you work nights & weekends?
Do you want to supervise others or are you supervised? Which do you prefer? Why?

Do you travel frequently or are you stationary? Which do you prefer? Why?

Do you have to get a degree beyond a bachelors? What type of degree?

Why is this your ideal job?
