

Temple University College of Public Health
Associate in Science: Liberal Arts and Science, Pre-Nursing Option at Camden County College
to
Temple University Bachelor of Science in Health Information Management
(Effective Fall 2017)

CCC Recommended Course			Temple Equivalent	
First Semester		Credits	First Semester	
ENG 101	English Composition I	3	ENG 0802	Analytical Reading & Writing
CHM 101	General Chemistry I	4	CHEM 1021 AND CHEM1023	Introduction to Chemistry I AND Intro to Chemistry Laboratory I
BIO 111	Biology I Or Free Elective ^{Note 1, 7}	4	BIOL 1012	General Biology II
PSY 101	Basic Psychology	3	PSY 1001	Introduction to Psychology
HPE 181	Basic Life Support "C"	1		No credit
Semester Total:		15		
Second Semester			Second Semester	
ENG 102	English Composition II	3	ENG T***	English Elective
MTH 111	Elements of Statistics	3	MATH 2101	Statistical Methods & Concepts
BIO 117 OR BIO 211	Recommended: Basic Anatomy and Physiology I ^{Note 2} OR Anatomy and Physiology I	4 4	KINES 1223 OR BIOL 2233	Human Anatomy and Physiology I OR Mammalian Anatomy
CHEM 102	General Chemistry II	4	CHEM 1022 AND CHEM 1024	Introduction to Chemistry II AND Introduction to Chemistry II Laboratory
HIS 101 OR ENG 271	World Civilization I OR World Literature I	3	HIST 1701 OR ENG U***	Ancient World to 1500 OR Upper level elective
Semester Total:		17		
Third Semester			Third Semester	
BIO 118 OR BIO 212	Recommended: Basic Anatomy and Physiology II ^{Note 3} OR Anatomy and Physiology II	4	KINES 1224 OR BIOL 3334	Human Anatomy and Physiology II OR Mammalian Physiology
PSY 109	Developmental Psychology	3	PSY 2301	Developmental Psychology
PHI 232	Biomedical Ethics	3	PHIL U***	Upper Level Elective
Free Elective	Recommended: HIT 120: Medical Terminology ^{Note 4}	3	HIM 1101	Medical Terminology
Semester Total:		13		
Fourth Semester			Fourth Semester	
BIO 221 OR BIO 121	Microbiology I OR Basic Microbiology	4	BIOL 3317 OR BIOL 2001	Microbiology Clinical Microbiology
FNS 105	Introduction to Nutrition	3	PBHL 1104	Nutrition and Health
CSC 101	Computer Literacy ^{Note 5}	3	CIS L***	Elective
SOC 101	Introduction to Sociology	3	SOC 1176	Introduction to Sociology
	Free Elective	3		Dependent on course selection ^{Note 8}
Semester Total:		16		
Total:		61 ^{Note 6}		
			Summer Prior Enrollment at Temple University ^{Note 7}	
			HIM 2214	Politics and Payment in US Healthcare System
			HIM 2215	Health Information Management IT Fundamentals

Notes:

1. Student who select BIO 117 and BIO 118 as recommended in the second and third semester are not required to take BIO 111. Students planning to take BIO 117 and BIO 118 have the option of selecting a free elective in place of BIO 111.
2. Students should select CCC's BIO 117. BIO 117 transfers to Temple as KIN 1223: Human Anatomy & Physiology I and satisfies a major requirement. Alternatively, students who complete both BIO 211 and BIO 212 will have satisfied the requirements for KINS 1223 and KINS 1224 via DARS exception.
3. Students should select CCC's BIO 118. BIO 118 transfers to Temple as KIN 1224: Human Anatomy & Physiology II and satisfies a major requirement. Alternatively, students who complete both BIO 211 and BIO 212 will have satisfied the requirements for KINS 1223 and KINS 1224 via DARS exception.
4. Students should select HIT 120: Medical Terminology for their free elective. HIT 120 fulfills HIM 1101: Medical Terminology a major requirement at Temple. Students transferring without this course will need additional semesters at Temple to complete the degree.
5. Camden students must pass the HIM department's Computer Competency Exam before entering the program to meet the CIS 1055 requirement. Once students successfully complete the exam, Temple University academic advisor will post "Requirement Complete" DARS exception.
6. Students who complete the A.A. for Liberal Arts and Science, Pre-Nursing Option are included in the CCC-Temple GenEd-to-GenEd Transfer Agreement and therefore have satisfied all of the GenEd requirements at Temple. Students should work with their CCC transfer advisor to select approved courses to fulfill the CCC degree requirements.
7. HPM 2214: Politics and Payment in US Healthcare System and HIM 2215: Health Care Information Management IT Fundamentals must be completed at Temple during a summer semester before students are accepted in the HIM Program at Temple. Alternatively, students can complete these courses through Temple's Office of Continuing Studies during the fall or spring semester prior to beginning the HIM program. A grade of C or better is required for all HIM prerequisite and professional courses.
8. Student should refer to the Transfer Equivalency Tool to see how selected coursework might transfer to Temple. The Transfer Tool can be accessed here: <https://admissions.temple.edu/transfer-equivalency-tool>

If the suggested classes are successfully completed and an Associate in Arts for Liberal Arts and Sciences, Pre-Nursing Option is awarded from CCC, the remaining two years in **the B.S. Health Information Management Program** follows:

Remaining requirements at Temple University		
Summer Prior to Enrollment at Temple		Credits
HPM 2214	Politics and Payment in US Healthcare System	3
HIM 2215	Health Information Management IT Fundamentals	3
	Semester Total:	6
Fifth Semester		
HIM 3101	Health Record Documentation	3
HIM 3106	Pathophysiology	3
HIM 3107	HIM Leadership and Strategic Management	3
HIM 3111	Statistics and Research in Health Care	3
HIM 3113	Healthcare Database Design and Development	3
	Semester Total:	15
Sixth Semester		
HIM 3203	Electronic Health Records Systems	3
HIM 3208	International Classification of Disease	3
HIM 3212	Clinical Procedures	2
HIM 3214	Pharmacology	1
HIM 3271	Professional Development	1
HIM 3297	HIM Human Resource Management (WI)	3
	Semester Total:	13
Seventh Semester		
HIM 4101	Health Informatics: Infrastructure and Standards	3
HIM 4102	Legal Aspects of Health Information Management	3
HIM 4105	Current Procedural Terminology Coding	3
HIM 4113	Healthcare Reimbursement Systems	3
HIM 4121	Healthcare Data Analytics	1

HIM 4207	Healthcare Quality Improvement	3
	Semester Total:	17
Eighth Semester		
HIM 4202	HIM Project Management	3
HIM 4104	HIM Operations Management	3
HIM 4206	Intermediate Coding	3
HIM 4286	Management Internship	4
HIM 4298	HIM Senior Seminar (WI)	3
	Semester Total:	16
<i>Credits transferred from the Associate in Arts in Liberal Studies, Pr- Nursing Option:</i>		60
<i>Summer Coursework at Temple Prior to Enrollment:</i>		6
<i>Remaining Requirements completed at Temple:</i>		61
Total # of Credits Completed to Fulfill the Requirements for the Bachelor of Science in Health Information Technology:		127*

** Minimum 123 credits required for the B.S. in Health Information Technology degree

General Notes:

1. To find the online application:
 - Go to www.temple.edu/undergrad
 - Click on "Applying" on the gray bar across the top
 - Click on "Transfer Students" on the left-hand side - This will take you directly to an online application
2. Fall admissions only. Completed applications are due by February 15.
 - a. In addition to being admitted to Temple via the Undergraduate Admissions process, students must also apply and be accepted into the HIM program.

3. All inquiries about the undergraduate program and application are handled through the Office of Undergraduate Admissions. If you have specific questions about your application or the admission process, please call 215-204-7200.
4. Inquiries specific to the Temple Bachelor of Health Information Management program or specific course requirements can be directed to Karen McBride at 215-204-5803, kmcbride@temple.edu, or www.temple.edu/him.
5. Temple University requires that all undergraduate degree candidates complete 45 hours of the last 60 hours of the degree or program as matriculated students at Temple University. If a matriculated student previously took Temple courses on a non-matriculated basis, those courses are counted towards this requirement.
