Notes:

1. Students who transfer with an A.S. in Public Health from Montgomery County Community College are considered GenEd-to-GenEd and have satisfied all of Temple's General Education requirements.
2. Students should select BIOI 131: Human Anatomy & Physiology; BIO 131 transfers to Temple as KINS 1223: Anatomy & Physiology I and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
3. Students should select BIOI 132: Human Anatomy & Physiology II. BIO 132 transfers to Temple as KINS 1224: Anatomy & Physiology II and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
4. For information about how selected courses might transfer to Temple, please refer to Temple's Transfer Equivalency Tool (<http://admissions.temple.edu/transfer-equivalency-tool>) and consult with your academic advisor.

If the suggested classes are successfully completed and an Associate of Science in Public Health degree is awarded from Montgomery County Community College, the remaining four semesters in the **A.S in Public Health** program at Temple University are as follows:

Remaining Requirements at Temple University		
Fifth Semester		Credits
SBS 1105	Society, Drug and Alcohol Perspectives	3
OR	OR

SBS 3105	Fundamentals of Health Education	3
EPBI 3101	Introduction to Epidemiology	3
	Public Health Elective OR Free Elective	3
	Semester Total:	14
Eighth Semester		
SBS 3596	Community Based Health Program Planning II	3
SBS 3185	Internship I	4
EPBI 3102	Research Methods	3
	PH Cognate Elective OR Free Elective	3
	Semester Total:	13
Ninth Semester		
SBS 4185	Internship II	8
	Semester Total:	8
	<i>Credits transferred as part of the A.S. in Public Health</i>	63
	<i>Remaining B.S. in Public Health Requirements to complete at Temple</i>	59
	Total Credits Completed to Satisfy the Requirements for the B.S. in Public Health:	122

Notes: Students following this plan are under the GenEd-to-GenEd General Education program.

- a) To find the online application:
 - 1) Go to www.temple.edu/undergrad For information about how selected courses might transfer to Temple, refer to Temple's Transfer Equivalency Tool (<http://admissions.temple.edu/transfer-equivalency-tool>) and consult with your academic advisor
 - 2) Click on "Applying" on the gray bar across the top
 - 3) Click on "Transfer Students" on the left-hand side - This will take you directly to an online application
- b) All inquiries about the undergraduate program and application are handled through the Office of Undergraduate Admissions. If you have specific questions about your application or the admission process, please call 215-204-7200.
- c) Inquiries specific to the Temple BS in Public Health program or specific course requirements can be directed to Caite Wolak at caite.wolak@temple.edu.
- d) Temple University requires that all undergraduate degree candidates complete 45 hours of the last 60 hours of the degree or program as matriculated students at Temple University. If a matriculated student previously took Temple courses on a non-matriculated basis, those courses are counted towards this requirement.
