Dear Student,

Welcome to the College of Liberal Arts (CLA)! We are excited you have chosen our college and we look forward to working with you during your time at Temple University!

The CLA Center for Academic Advising & Professional Development recommends that you register for the following courses in your first semester:

- General Education coursework
- Math 0701 or GenEd Quantitative Literacy (GQ) (depending on your placementscore)
- English 0701/0711 or English 0802/0812 (depending on your placement score)
- Foreign language (depending on your placementscore)
- An introductory course in your intended CLA major
- Freshman Seminar (optional)

You should register for a full time course load of 15-17 credits for the upcoming semester. You will receive an email, to your Temple University email account, after a CLA academic advisor has reviewed your roster.

You will be placed into the CLA Change of Program course on Canvas (accessed through TUportal.) The course reviews the CLA requirements in detail and other important information and you will be quizzed on the information covered.

You must successfully complete the quiz by the add/drop deadline. If you do not complete the quiz, a hold will be placed on your account preventing future registration.

Should you have questions regarding the College of Liberal Arts or if you make any changes to your roster, please do not hesitate to email claaac@temple.edu.

When sending e-mails within Temple University, always be sure to use your Temple e-mail account and include the following information:

- Your first and last name
- Your Temple University ID number (this begins with the number 9)

Again, welcome to the College of Liberal Arts!

Sincerely,

CLA Academic Advising Team
