Dear Student,

Welcome to the School of Sport, Tourism and Hospitality Management (STHM)!

The staff, administration and faculty are excited you have chosen STHM and are eager to assist you with your course selection, professional goals and transition to Temple University.

Your assigned STHM Student Services Representative will help you in registering for the appropriate courses based on your placement scores and what is required by your major (in STHM).

The STHM Center for Student Services (CSS) recommends you take the following courses:

- **ENGLISH 0802 Analytic Reading and Writing (4-credits)**
  - Your ability to take this specific course is contingent upon your English placement scores. Please discuss this matter with your assigned STHM Student Services Representative.

- **STHM 1113 The Business of Leisure (3-credits)**
  - This foundational course, which is required of all STHM majors, will introduce you to the nature, scope, and significance of leisure.

- **Two or Three appropriate General Education (GenEd) courses of your choice.**
  - All STHM freshmen must take an English this fall along with STHM 1113 in order to begin their undergraduate academic careers in the proper sequence.
  - If the English course you need is not available (i.e. closed), please proceed with your Quantitative Literacy (GQ) requirement (contingent upon Math placement scores).
  - If you plan to study abroad (highly encouraged to do so), please do not take any classes that could fulfill your Arts (GA) and/or Global/World Society (GG) requirement(s).
  - You should not change/drop any of these classes without first meeting or communicating with an STHM Student Services Representative.
  - When registering for courses, be mindful of the Fly-in-Four rules.

Please note:

- Upon completion of your New Student Orientation, you will receive, within 72 business hours, an e-mail from STHM CSS.
- The e-mail will have instructions on how to schedule a one-on-one advising session, per our advising structure, at your earliest convenience, to verify your roster and review additional important information about STHM and Temple University.
- Should you have questions, please e-mail the appropriate STHM Student Services Representative.

We look forward to meeting and working with you! Good luck this upcoming semester and again, welcome to Temple University and STHM.

Sincerely,

Center for Student Services (CSS)
