

# Participating Vision Providers

Fall 2015

## **Welcome to Independence Blue Cross Vision**

### **This directory lists participating providers in Delaware, Maryland, New Jersey, and Pennsylvania**

Independence Blue Cross (Independence) is pleased to enclose this vision provider directory. We encourage you to compare Independence to other plans. We believe you'll find our coverage both comprehensive and competitive.

This directory is updated periodically throughout the year. The Company reserves the right to add or delete participating providers at any given time. The Company cannot guarantee the continued participation of any one provider. *It is very important that you verify your provider's network membership before receiving services.* The information in this directory is current as of the date listed on the back cover which is the date the printed directory was submitted for publication. The next provider directory will be published in September 2016. For updated or more detailed information regarding participating providers, please call the provider's office at the number indicated in this directory or call Customer Service at 1-800-ASK-BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. ET.

#### **How to find a provider in your area**

This directory contains a list of participating vision providers in alphabetical order by state, county, and then practice name. The directory includes the practice name, address, and telephone number.

If you already know the name of the vision provider you would like to select, you can locate his or her name in the alphabetical index. The alphabetical index will then refer you to the page on which the vision provider is listed. If you do not know the name of the vision provider you would like to select, you can begin your search by checking the list of vision providers in your area.

This directory lists participating providers, including optometrists, ophthalmologists, opticians (or optical suppliers), independent health care professionals, retail chains, and includes the addition of Visionworks retail stores, as part of Davis Vision's network of providers.

The following information is intended to help you select a participating provider from this directory. Each listing in this directory also includes at least one service type indicator as well as other indicators, where appropriate. These indicators identify the services a particular provider is contractually able to offer to Independence Vision members.

#### **Service type indicators**

- Exam only: Performs routine eye examinations only.
- Exam and CL: Performs routine eye examinations and dispenses contact lenses only.
- Full service: Performs routine eye examinations and dispenses eyeglasses and contact lenses.
- CL only: Dispenses contact lenses only.
- GL and CL: Dispenses eyeglasses and contact lenses only.
- GL only: Dispenses eyeglasses only.

**Other indicators**

- Frame collection: The exclusive Davis Vision Collection of Frames is available.
- If a participating provider speaks a language other than English, it is included in the provider listing; for example, French, Spanish, or American Sign Language.

**Definitions**

- Optometrist: A doctor of optometry providing all ophthalmic services except surgery.
- Ophthalmologist: A doctor of medicine who has completed a residency program in ophthalmology and specializes in treating diseases of the eye and performing ocular surgery.
- Optician (or optical supplier): A fabricator and dispenser of eyeglasses. Some opticians also fit contact lenses.

**Provider Reimbursement**

A routine vision vendor administers our routine eye exam benefit, provides a network of participating eye care providers, and processes related claims. The vendor pays its contracted providers on a fee-for-service basis. Members are responsible for any applicable copayments.

Vision benefits are administered by Davis Vision, an independent company. The vision providers in this directory are participating providers in the Davis Vision network.
