ELIGIBILITY:
Graduate students of all disciplines.

Must have a bachelor’s degree. May be a current or future graduate student.

SUCCEED IN ADVANCED COURSEWORK
Polish your English to the high level of proficiency needed to master your graduate studies. This four-week course is designed specifically for graduate students, and will help you succeed in advanced academic courses and function well in English.

IN THIS 4-WEEK COURSE YOU WILL:
• Fine-tune your academic writing skills
• Improve your pronunciation and presentation skills
• Bridge the gap between everyday English proficiency and academic English
• Get a feel for an American college classroom
