**PRESIDENT’S REPORT – David Adamany**

Thank you Mr. Chairman.

I have recently circulated several written reports to the Board about events and issues on the campus. I will provide another such report in the next few weeks. A further report from the President at this time is therefore unnecessary.

I do want to take this occasion on behalf of all of us on the campus – students, faculty, staff and administration – to express our thanks to the Board for its wise and vigorous guidance of the University through this past year. I know I am joined by all in extending to you and yours our best wishes in this season and our hope that 2004 will bring you good health, happiness and prosperity.

Thank you Mr. Chairman.
