About the University

Temple University is a dynamic urban public research university known for providing affordable education opportunities to talented students from every background, and for its passionate, driven and real-world-ready students and graduates.

Temple’s 17 schools and colleges, nine campuses, more than 400 degree programs, and approximately 38,000 students combine to create one of the nation’s most diverse learning environments. As the 31st-largest university and fourth-largest provider of professional education in the U.S., Temple counts nearly 300,000 alumni living around the world.

Its more than 300 student organizations, 19 intercollegiate men’s and women’s Division I athletic teams, and bevy of research, arts and entrepreneurial opportunities ensure a vibrant student life.

In the past few years, Temple University has become a pioneer in tackling student debt by spearheading innovative programs to ensure students graduate on time and have the resources and support they need to do so with minimal debt and maximum postgraduation opportunities.
